Hello Charles Reed Parents,

I just wanted to remind you that there is not supervision for students in the morning for school until 8:45. I have had some students at school as early as 8:05. This is not safe for them to be here unsupervised. If they walk please have them leave at an appropriate time to be here at 8:45. Some students are here on the playground or on the tables in the front of the building before school starts. These areas are unsupervised and not safe. I appreciate your efforts in helping us with this matter.

Thank you,  
Curtis Hudson  
Principal
