

# Charles Reed Mathematics Carnival!

Thursday, April 26th, 2018

5:30 - 7:30pm

Snacks sold  
from 5:30-7:00

Activities  
from  
6:00-7:30

**Come one, come all... join us for our Family Math Night!**

**Great Lakes Kettle Corn** will sell large bags of kettle corn for \$7 & freshly squeezed lemonade for \$5. Our **PTA** will also be selling hot dogs, chips, candy, water, and cotton candy (cash only). Families can also bring their cameras to take pictures at the **Carnival Selfie Station in the gym.**

**Geometry Jam 111**- Come make patterns and pictures using pattern blocks. You can also experience origami.

**M&M Mathnasium 113**- We will combine a variety of math skills using a tasty treat that melts in your mouth, not your hands.

**Estimation Station 116** - What are the Chances? An action-packed exploration of probability and estimation!

**Fun-ny with Money 117** - These activities will range from coin recognition to a mock shopping spree. Come join our "cash bash" and have some fun-ny with money!

**Measurement Rules 118**- Step right up and practice your measurement skills using rulers, yard sticks and scales....oh my!

**Bingo Bash 120** - We have number, addition, subtraction, multiplication and division bingo games. Choose which one and play!

**Game On! Gym** - Come to the gym for fun-filled games including Giant Jenga, Bean Bags, Connect Four and more!

**The activities in the classrooms will begin at 6:00.**

**Please do not go to the rooms early.**

**An announcement will be made at 6:00.**
