## Take Your Child to Work Day

Take Your Child to Work Day is Thursday, April 26<sup>th</sup>. In past years, children who have attended work with their parents and missed a day of school have received an unexcused absence. While District 202 continues to stress the importance of attending school every day, we realize that this is an additional opportunity for student learning. If parents submit a Take Your Child to Work Day request that is printed on company letterhead, the child's record will be coded as an excused field trip. If a request is not submitted prior to the day or is not on company letterhead, the day will be marked as an unexcused absence.

Kindergarten Round-Up is on Wednesday, May 2<sup>nd</sup> from 6:00-7:00pm! You will have the chance to see your student's classroom and meet our teachers and Administrators. This will be an informational night for the upcoming school year. Please mark it on your calendar!
