No School for Pre-K & Kdg

Hello Charles Reed Families,

With the weather becoming nicer I know that many students like to leave earlier to come to school. I know some students want to play on the playground or ride their bikes on the blacktop. I would please ask that they do not do this because there is no supervision. Please remind them that they should not be at school unsupervised until 8:45. We have staff that comes out on duty at 8:45, but any students at school earlier will be here unsupervised. Thank you and have a great weekend!
