Hello Charles Reed Parents,

Welcome to the 2019-2020 school year. The start of the year always brings on new excitement! We want to help and guide our student to have P.R.I.D.E. This will be our ongoing theme. The acronym stands for Positive Responsible Individuals Developing Excellence. This will help us build our school vision which is "A Caring Community Working Together to Grow as Lifelong Learners". In our first day assembly we talked about being Cougars and having that PRIDE. You as parents are a very important part of the team. We look forward to continuing to grow together! Have a great weekend and we will see the students that first full week on Monday!
