Hello Charles Reed Parents,

We have noticed an increase in students with Apple watches, cell phones, or other electronic devices out at school during the day. This is not acceptable as per our handbook. On page 43 of our handbook there is an area on electronics, it states "*electronic devices are not allowed at school. Cell phones are allowed but should be off at school and in bookbags*". Please refer to page 43 of the handbook if you have questions. For any additional questions, please contact me and I will gladly answer them. Thank you very much for adhering to this district policy.

Curtis Hudson
Principal

Friendly Reminder

No child with a temperature of 100 degrees or higher should be sent to school. Your child should be fever free for 24 hours (without the use of fever reducing medication) before returning to school.

Congratulations to the C.A.P.E. award winners from Charles Reed!
