

Follow us on

Dear Parents,

This year, the students and the PE Department will be using Twitter to share our learning with you, family members and friends, and classrooms around the world!

Our Twitter account will be private, which means that we will have to approve anyone who chooses to follow us. Only these approved followers will be able to view our classes Tweets. I hope you choose to become a follower! Follow us on twitter at:

@CharlesReedCougarPE

Occasionally, our Tweets may contain photos of students in action or of fabulous work. I need your permission to share your child's photo on Twitter. I will never include student names in any tweets. Please let me know if you need more information or have any questions!

Thank You
